[Special to The Times-Dispatch.] Bristol, Va., June 25.—"Ref" Munon, the crstwhile Cincinnati ball player, now manager of the Bristol of the Appalachian League. team of the Appalachian League, continues to produce results in thiz league. From the opening of the season he has kept his team at the top of the percentage column, rad, judging from players he has Geveloped, he has a fine chance of keeping in the lead.

It is indeed surprising the high standard of players that this minocleague has doveloped. Each of the six teams, Bristol, Johnson City, Morristown and Cleveland, Tenn, and Asheville, N. C., has developed speedy players.

ristown and Cleveland, Tenn, and Asheville, N. C., has developed speedy players.

In the Bristol team Cullop, the young southpaw, is shining particularly as a pitcher. He has shown himself up to a high standard in playing his position, having developed not only as a twirler, but in fielding his position and in holding the base runners in the hollow of his hand, as it were. It will not be surprising, if Cullap goes as he has gone until the end of the season, if he brings a fabulous price for a minor leaguer. He is a Virginia boy, his home being at Chithowie, in Smyth county.

Another exceptionally strong player is Sloan, who has not only been a master slugger, standing at the head of the percentage column as a batter, but has developed speed and skill as a fielder and safety as a hoserunner. Others might be mentioned as highly deserving, out these stand at the top. Walker, a young Alabama man, with a blacksmith am, less shown tremendous speed as a twirler, and has been winning als games with regularity, although he is not yet fully seasoned.
